

BECAUSE IT'S MORE THAN JUST A CERTIFICATE...

And you're more than just a shoe salesperson. You're a valuable member of the allied healthcare team, providing mobility solutions to people every day. The education and experience you've obtained are testaments to your abilities, but ABC certification is proof that you've met the highest standard for patient care. **Isn't it time you got certified?**

Plus, as an ABC C.Ped., you gain access to:

- Continuing Education Tracking
- Personalized Updates
- Professional Advocacy
- Current and Centralized State Licensure Information.
