

The American Board for Certification in Orthotics, Prosthetics & Pedorthics

ABC's New Website is Coming Soon!

About ABC's Website 

Interactive 

Secure 

User-Friendly 

The American Board for Certification in Orthotics, Prosthetics and Pedorthics, Inc.'s new interactive, user-friendly and secure website will provide an overview of the five primary departments:

- **Certification**
- **Professional Discipline**
- **Facility Accreditation**
- **Public Relations**
- **Continuing Education**

As part of ABC's focus on customer service, the website has a special password protected information center allowing individuals to access their MCE statements, edit their contact information and pay annual fees and invoices online.

The new website is designed to be simple, contemporary and easy to navigate. It sets out ABC's vision through a combination of images and text, complete with a series of sub-navigation drop down pages.
