2004

November 4-5

Otto Bock Course: *Otto Bock Shape System*, Otto Bock Education Center, Plymouth, MN. 16 CECs. This two-day course builds proficiency in the use of the Otto Bock Shape System, a CAD/CAM-based product used to create a digital path that is then used to cut a ProContour Custom Cushion in the Otto Bock fabrication center. Contact: Vickie Wermager, 800.328.4058 x5172; e-mail: info@ottobockus.com

November 4-6

Academy: *Advanced Training Series (ATS): Overview of Gait Analysis*, Northwestern University, Chicago, IL. This course will increase your knowledge of gait analysis technology, terminology, and data interpretation. Packed with valuable information, taught by expert faculty, and awarded 22.5 PCEs. Visit www.oandp.org for course outline and registration. Contact: 703.836.0788

November 5-7

Kassel Group, Inc: *Anatomy & Physiology SOP Course and Movement Sciences SOP Course*, Chicago, IL. College-level weekend course with PhD instructor for O&P. Advance your career through science. 20 Category I credits applied for. For more information, visit www.sopcourses.com

November 8-9

Ohio Willow Wood: *OMEGA Tracer Premier Training*. The class for you when you want more detailed instruction about the OMEGA Tracer Premier System. Through hands-on instruction, this course demonstrates the prosthetic and orthotic capabilities of the leading CAD system. The registration fee is \$695 (waived if you own or purchase a Tracer Premier System). Travel and lodging expenses are your responsibility. Credits: 13 ABC credits. Contact: Kathy Kennedy, 877.665.5443.

November 9

AOPA: *Mastering Medicare Audio Conference: Prescriptions and Delivery Slips*. 1:00-2:00 pm EST. Contact: Christopher Vinson, 571.431.0876 x235; e-mail: cvinson@AOPAnet.org; www.AOPAnet.org

November 9-10

Otto Bock Course: *ETS TT-TF (Electronic Test Socket Transtibial Transfemoral CAD/CAM System)*, Otto Bock Education Center, Plymouth, MN. 12.5 CCEs. This course teaches the prosthetist to collect patient reference data through digital imagery (TT) and measurements (TF). The soft-

The American Board for Certification in Orthotics and Prosthetics, Inc. Examination Schedule

JANUARY 1, 2005
