

# Aetrex's Women's "Essence" Collection, The right fit for AFO systems.

- 1/4" removable depth accommodates custom orthotics
- Luxuriously soft full grain leathers
- A supportive base for carbon composite stance control AFOs
- Sadmerc verified styles

For maximum performance insert Lynco orthotics into AFO system.

*"The Essence line has enhanced my practice, with the ability to give my patients the right biomechanical footwear."*
