

Isn't it time for women's therapeutic shoes to look as good as they feel?

Essence by Aetrex...Functional, Fashionable, Logical.

Aetrex® is pleased to introduce the Essence Collection, a unique line of women's footwear designed to meet the demands of both fashion and function.

- *1/4" removable hidden-depth to fit orthotics*
- *Advanced polyurethane outsoles properly flex at the ball-of-the-foot*
- *Luxuriously soft, full grain leather uppers*
- *Soft, padded collars to prevent heel slippage*
- *Most styles available in 4 widths*

Offer your patients shoes they will love to wear!
