

## 3 Orthotists now on staff to answer your technical questions!

Bob, Scott, and Jackie are available as a resource to you whether you purchase your Allard USA products direct from us or any one of our 3 fine distributors:

Cascade Orthopedic Supply  
PEL Supply  
SPS

**Robert H. Meier CO, BOCO**  
Director of Education

As we laid the foundation for Allard USA, we knew the secret to success to be your O&P Partner was "Education before sales!" Our products are all about improvement of gait so in March 2006 we brought on Bob, already internationally recognized as the "Guru of Gait"! Bob has been the cornerstone for demonstrating our true commitment to being "Your O&P Partner". We don't sell to your referral sources, with you as the co-sponsor, we educate them, which results in increased referrals for you.

**Scott Hennessy CO**  
National Product Manager, ToeOFF Family Products

Scott has 23 years of experience as an O & P practitioner, having owned and managed Manhasset O & P, LTD in Hicksville, New York. Scott will focus on helping you with the new COMBO KAFO and in early 2011 with the introduction of the Custom ToeOFF/BlueRocker AFO's, as well as any technical issues you might have with the standard ToeOFF Family of Products.

**Jackie Valdez CO**  
National X-Lite/3D-Lite Product Manager

Although Jackie's role with Allard USA is to focus on our 3D-Lite, especially our new Cut-4-Custom product line, she offers over 20 years clinical O&P experience with a focus on pediatrics. She is also ready, willing, and able to answer any of your technical questions relating to all of Allard USA products.

## No price increase for 2011!

Allard USA appreciates this is a tough economic climate. We will absorb our cost increases to optimize your income potential with the Allard USA products in 2011!

## A New Home to Serve You Better!

We moved to a new facility with double the warehouse space to assure we keep our promise of same day shipment for orders received before 4:00 EST. (Hey! If you call in before 5:30 and tell us it is really urgent, we'll find a way to get that order out the door!)

Your O&P Partner  
continues to provide  
"Support for Better Life"

*Happy Holidays  
From all your friends  
at Allard USA*
