

JOHN BREST AND AMFIT:

An Orthotic Dream Team

John Brest, C.O., C.Ped, knows time is valuable. With the Amfit Digitizer and Central Fabrication Services, he has full control over his foot orthotics without the hassle of traditional in-lab fabrication. "Less time in the lab along with faster turnaround time equals the ability to see more patients." *Happier patients, innovative technology, and great margins* thanks to Amfit! Visit our website to see how Amfit's Digitizer system will accelerate your practice: ortho.amfitcentral.com.
