

For more than 25 years, Anatomical Concepts has held itself to a simple philosophy – It's about the **PATIENTS!**

Here at Anatomical Concepts, clinical experts designed our products with the patient and the practitioner in mind, resulting in dynamic orthoses that are effective and cost-efficient.

We are the original concept developer & only manufacturer of the PRAFO® orthosis!

PRODUCTS DESIGNED WITH RESULTS IN MIND!

Trusted Quality Orthotics est. in 1990
