

RIBBY™

ARTICULATED ANKLE FOOT ORTHOSIS

Anatomical Concepts Inc. introduces the custom-fit Ribby™ AFO, an alternative, immediate way to manage the rehab patient's orthotic care 24/7 from the initial onset of their accident. The Ribby™ is a fantastic and creative way to display your facility's ability to provide excellent orthotic care that can address the rehab patient's needs 24/7 in a most cost-effective and yet profitable manner.

Check it out, be on the ground floor and learn how to take advantage of the newest innovative technology from Anatomical Concepts, Inc.

- Adjustable for Length
- Adjustable Posterior Joint
- Free Dorsiflexion Joint
- Moldable Foot Plate

Model: 650RIB/FDF/APU

The Ribby™ AFO can be worn with a multitude of commercially available shoe wear or modified to your patient's needs.

PDAC Verified AFO: L1971
