The Accommodator

502-X (In Gigantic Width & Depth)
 Running Mates: (502-D, 2E, 4E, 6E, 9E)

This shoe is designed for easy modifications to allow "Customizing" without going custom-made. Please look at the options of mix and match - With the Item#: 502, this allow the contralateral foot to wear a matching standard shoe.

Features & Benefits:

1. Open to toe velcro:
 Allow easy entry
 Control foot
 Decrease shear
 Accommodated Edema
2. Amazing Volume: For hard to fit super-sensitive feet.
3. The extended bottom: Lends stability and encourages hazard free walking.

Item: 502-X
 Width W (10E) & XW (14E)
 In Sizes: 5, 5.5-11.5, 12-17
