

Dynamic Orthoses for Dynamic Kids

Cascade Dafo continues to be the leader in customized dynamic orthoses since introducing the first DAFO over twenty years ago. With so many innovative features, maximum compliance and results are assured. Due to the growing popularity of these orthoses, Cascade Dafo products will certainly enhance your practice.

Sleek Design provides minimal bracing for maximum results.

Flexible material increases comfort and proprioceptive feedback while allowing a more normal movement of the foot.

Personalized Features such as colorful padding, strap and trim options help with patient compliance.

Custom manufactured from a cast model of your patient's limb, optimal fit is achieved.

Wrap Around design provides precise, intimate control of the hindfoot and forefoot.

Total Contact reduces tone and minimizes pressure points.
