

VENTURE

"Getting covered.
Dominating the barrel.
The adrenaline rush.
Tim loves trying to
keep up with me!"

-Venture Foot

 **Venture**

**BETTER, STRONGER AND MORE
DURABLE THAN EVER BEFORE**

Using innovative, guided ramp and micro-cell technology, the improved Venture Foot provides a wide range-of-motion for virtually any activity with increased durability and new 275 lbs (125 kg) weight limit. Venture, the ultimate fusion of power and agility.
