

IDENTIFY | INNOVATE | INDIVIDUALIZE

The College Park Ideal is at the core of everything we do. It's our commitment to go beyond minimal requirements and provide the ideal fit, ideal form and ideal function in every product we create. It's how we identify both the patient and practitioner's needs and produce innovative and highly adjustable products. Our ideal focuses on human variability, custom building each foot from thousands of possibilities to provide individualized solutions. You can always trust CPI to create your patient's **CPIDEAL**.
