

You have the resolve and will power to face obstacles head-on. You have the strength to overcome when others give up. You demand function, control and comfort as you twist, turn and jump your way to victory.

You are a winner. You deserve the best. College Park provides it.

We salute the spirit and determination of all who have overcome challenges in their lives.

ABILITY TO THE EXTREME

Join the tens of thousands of people around the world who prove that College Park has set the standard for prosthetic foot and ankle performance.

"The College Park Venture foot has been the most reliable and functional piece of prosthetic equipment that I have tried, feet or otherwise"

— Garry Moore
