THE UNDERLINERTM

- Designed to be worn between the liner and the residual limb
- Wicks moisture to keep the limb drier and reduce skin sheering issues
- Made with **Xstatic** silver to help reduce odors and keep the residual limb clean
- Very economical! Available in five lengths
- Form fitting to reduce bunching in the socket

TOE: Accommodates
Distal Circumferences from 7½" to 12"

TOP: Accommodates
Proximal Circumferences from 8" to 18"
