

**You can't see the stands or the crowd,
You can't hear the yelling or the cheers,**

BUT HE CAN.

**3 Year Old Bilateral
Fibular Hemimelia
and
Future Basketball Star**

**The Grommet™ Lock
by Coyote Design
is small enough in
size for pediatrics,
but functional
enough for the size
of their dreams.
Durable, water and
wear resistant
construction for
long lasting life in
any conditions.
Ideal for
pediatric upper
and
lower extremity
applications.**
