

# The Protégé LSO

## To Protect and Support

### Code Approved L0637

The **NEW Cybertech Protégé LSO** is a multifaceted modular spinal support that takes you from pre-op, initial post-op to a rehab progression stepdown system.

It allows for progressive rehab adaptability with removable/replaceable lateral, posterior and anterior panels for a complete total progressive rehabilitation support system.

The modularity of the system provides 4 levels of support.
