Discover a New World of Motion.  
Free Motion with Less Pain!

# Flex-OA

By Dr.  
Comfort

## Flex-OA Comfort Sole-Created to Relieve OA Related Knee Pain.

Created by *Dr. Comfort in association with Rush University Medical Center*. Our patented biomechanical features work to create motion that helps relieve pain and allow you to stay active and walk through life in comfort again. Studies showed a significant reduction in load on the knees when wearing the Flex-OA. Clinical studies showed participants had an average 20% reduction in knee load.\* Get out and get active—with less pain each day. Discover a natural, new world of motion with Dr. Comfort's Flex-OA.

Dr. Comfort offers a comprehensive product line:  
The Finest Diabetic Comfort Footwear, Our Signature  
Shape to Fit Compression Wear, Therapeutic Socks,  
Custom Inserts and Custom Orthotics Laboratory.
