purchased Sept. 1st thru Oct. 31st

ELITE - The All Terrain Foot

Gives excellent ground compliance, no matter what the terrain. Its sleek yet bold design delivers high performance in a lighter weight foot with a lower build height. Ideal for K3-K4 patients.

ESPRIT

Provides active walkers superior ground compliance, a soft rollover and excellent energy return. The Esprit's lightweight, low profile design is well suited to active walkers with varying cadence.
