

New

① ONE Housing ④ FOUR Valves

AT LAST!

Our Most Popular Valves now fit into just **ONE HOUSING** including our newest product the High-Vac **EVA VALVE**.

Order individually, as before, or order our **VQUAD KIT** which includes ONE housing and all 4 valve bodies. *A fitting room in a bag!*

Our **SLIDE VALVE** aka "TICK-TOC VALVE" has also been reconfigured to fit our standard housing but it is still available in its original smaller configuration.
