

AEGIS TT Pre-Flexed Liners

We've Got You Covered.
Now **You** Make The Choice!

The innovative AEGIS family of pre-flexed silicone liners are the most comfortable liners available for walking, standing and sitting. The NEW **Dura-Flex** fabric offers enhanced durability and compression, while our classic **Ultra-Soft** fabric continues to provide unparalleled mobility, lighter compression and the superior cushioning our clients have trusted for almost 20 years. A great choice for both standard and elevated vacuum suspension systems.
