

# JUST FOR KIDS FROM EVOLUTION INDUSTRIES!

## Pediatric Mounting Plates & Pediatric Valve Kits

The new children's mounting plates utilize the standard pediatric 4 bolt pattern. Available in low profile for regular sockets and standard for expulsion systems they use the same technology for laminating as our adult size plates. The standard plate can be used with the pediatric expulsion valve.

**CHAMELEON**  
Liners especially for kids!

Chameleon liners are sized especially for kids, and are available in 4 colors: electric blue, hot pink, neon green and fluorescent orange. Chameleon liners are available in both pin and cushion configurations. Matrix comes standard in the Chameleon pin liners, and as an option in the Chameleon cushion liners.

### Features of the Evolution Chameleon Liners include:

- A silky surface that allows the liner to slide on itself
- Easy to don and doff
- No coatings that crack, peel or wear off
- No covers to tear or run
- Compatible with all high vacuum sockets
- Medical grade silicone
