

## IMMEDIATE OPPORTUNITY FOR A **CLINIC LEAD CERTIFIED PROSTHETIST** IN MEMPHIS

**A place unlike any other, Memphis has character, texture, and a feel that is legendary.**

Memphis' iconic location on the Mississippi River and its role as the biggest city in the Mid-South attract people from around the country. The city is home to a rich musical history that's internationally acclaimed and is framed by world-class restaurants that offer a vibrant nightlife.

Fourroux Prosthetics has a rare, immediate opening for a Lead Certified Prosthetist at our established and experienced Memphis location. The ideal candidate will have a high level of integrity, be self-motivated, and care deeply about people. We are seeking a prosthetist who is ABC certified and able to obtain Tennessee licensure. We understand the importance of a happy and healthy work/life balance and offer competitive compensation with benefits.

**Memphis tops the list of places where millennials are putting down roots.**

Community is at the heart of Memphis, and a wide variety of neighborhoods offer everyone a place to call home. With great schools, plenty of outdoor activities, and an affordable cost of living, it's easy to work, play, and enjoy life in Memphis.

### OUR UNIQUE APPROACH

We not only provide a prosthesis, we provide an experience. One that is rich in quality care, prosthetics education, and innovative advanced prosthetic technology to achieve successful patient outcomes. Fourroux Prosthetics administers custom prosthetic solutions for amputees of all levels and ages. We provide a gateway to an improved quality of life for amputees and their families.
