

Why I Choose Plié 3...

PLIÉ3

“

*...it gives me the freedom to choose how I live my life unrestricted. I can wear the Plié 3 for everyday life, as well as, competing in marathons. Because of the superior **quality, reliability, and customer service** I receive from Freedom Innovations, I put my confidence in their products every time I land on my prosthesis.”*

Warren Castleberry ~ Tulare, CA

- Both weatherproof and FULLY SUBMERSIBLE.
- The fastest MPC knee, responding 10 to 20 times more rapidly than other MPC knees.
- The most responsive stumble and fall protection.
- Users can instinctively move at their own pace in any direction...even if it's taking small short steps or pivoting in confined spaces.
- Streamlined, intuitive set up makes the Plié 3 MPC knee even easier for prosthetists.
