

EVERY REVOLUTION NEEDS A RENEGADE

*James Harrison, World Class
Paralympic Triathlete*

*"I am typically skeptical of any new product.
In this case, however, your feet have exceeded my expectations."*

- Kenneth Hung, CP

The renegade, the most revolutionary prosthetic foot in the industry today:

- Offers unmatched energy return compared to other dampening systems
- Provides incredibly smooth gait at any speed
- Achieves unprecedented tibial progression level
- Industry's lightest shock absorbing foot system
