## THE NEW VSR BY FRIDDLE'S OUTSHINES THE COMPETITION

The experience of using the Friddle's VSR is like no other. We have combined the industry's most precise tolerances with the ultra clean running AC motor to produce one of the quietest and smoothest routers in the profession. The Friddle's VSR is engineered to exceed the exacting demands and expectations of the orthotics and prosthetics profession. Call us today to find out more about the NEW Friddle's VSR.
