

## FRIDDLE'S ORTHOPEDIC APPLIANCES, INC.

Friddle's is proud to announce that we now have a full service Prosthetic Central Fabrication Department in addition to our Custom Spinal Central Fabrication Department. There is nothing we cannot handle; from upper extremity, to hip disarticulations, to spray skin covers. Friddle's has two qualified technicians with over 25 combined years of experience. Tim Foster, CTPO and Jamey Edmondson, CTP possess superior fabrication abilities. Our goal is to provide you and your patients with an exceptional products and service.
