

# HERE FOR YOUR ORTHOTIC AND PROSTHETIC NEEDS

## AFO CLOSURE KITS

Our AFO closure kits come in three different sizes and versions to meet your AFO closure kit needs.

## EVA SHEET MATERIALS

We carry EVA sheet material in a multitude of colors and swirls to meet the various needs of our customers. We offer a complete range of EVA sheet materials from impression foam and CAD-carver blanks, to thermocorks, multi-laminates, and everything in between.

## FRIDDLE VARIABLE SPEED ROUTER

The Friddle's VSR is engineered to exceed the exacting demands and expectations of the orthotics and prosthetics profession, and qualifies for free shipping within the 48 contiguous United States.
