

ADJUST YOUR THINKING.

Again.

INTRODUCING THE NEW
"SHORT" SIZE IN THE FAMILY
OF KINETIC REVOLUTIONS
ADJUSTABLE PYLONS.

*TESTED AND APPROVED FOR
DEFINITIVE USE.*

Now you can fit a wider range of patient heights with our latest advance in adjustable pylons. This revolutionary device lets you make height and rotation adjustments without removing the socket and/or foot, eliminating the need to cut pylons to size, sand and buff the cut ends and re-attach the socket and/or foot. Visit kineticrevo.com or call 301-360-3520 to learn how you can reduce patient time and streamline off-site visits. Look for our Pediatric size coming Spring 2012.
