

Join Our Team

Immediate Practitioner and Technician Positions Available

We are expanding our clinic locations and are looking for amazing practitioners who love their patients, and whose patients love them. If this is you, we want you on our team.

Industry Leading Compensation and Culture

Our rapidly growing clinic network provides unconventional advancement opportunities and offers industry-leading compensation and benefits. We love our employees and encourage a happy and healthy work/life balance!

Open New Clinic Locations With Us

Do you already have a clinic, or would like to help open a Martin Bionics Clinic where you are? Opportunity to establish and lead new clinic locations, with a paradigm shift in customer experience.

Do You Want To Serve Your Patients Better?

Centralized Billing, Centralized Marketing, Centralized Fabrication - we let you focus on being the best prosthetist you can be and to serve your patients with exceptional care.

80% of our customers

Travel from across the country and around the world for our life-changing comfort, so we are expanding locations.
