

Discover the future of O&P With OPGA!

Let the expert staff and supplier partners of OPGA keep you up-to-date on the latest technology in the rapidly changing world of O&P.

In today's competitive business environment, the combined resources and supplier partners of OPGA will keep your business aware of product developments in the industry while you focus on patient care and quality outcomes.

With nearly 20 years of experience in the O&P industry, we are always ready to help you meet the challenge of creating new solutions to grow your business.

In addition to our experienced professional staff and supplier partners, OPGA can also provide you with the most current resources in insurance, marketing, leasing and financing, government relations, managed care and education.

Please visit us and several of our supplier partners in **Booth #517** at **AOPA!**
