

YOUR PARTNER IN PRACTICE MANAGEMENT

Community

The OPIE Choice community is built of leaders in the O&P field. From OPIE Software experts, to experienced consultants, to your own peers, you gain access to a wide-range of ideas, advice, and perspectives that can help your practice grow.

Business Intelligence

Data available at the click of a button! By providing in-depth analytics into your practice and advanced training into what these data points mean, you can learn how to identify opportunities within your practice and measure your performance.

Events and Education

The Choice Network hosts several major educational events each year. These events are created to provide solutions to real-world problems and help give insight into better practice management.
