

***If you are starting a new practice, or want to streamline your current practice, OPIE Software will give you the competitive edge.***

***OPIE is software designed for practitioners (and technicians, and administrative staff, and billing staff...)***

***Experience  
the difference.***

*Call or email to schedule a personal demo with Paul E. Prusakowski, LPO, CPO, FAAOP, leader of the OPIE Project, founder of oandp.com.*
