

NEW

CERVICAL COLLAR

The NEW PROGLIDE® 180 multi-post collar is the newest addition to OPTEC's revolutionary PROGLIDE® cervical collars. The PROGLIDE® 180 allows you to get it right the first time with just one adjustable size, while reducing inventory and saving you money. The anterior and posterior incorporate a height adjustment mechanism to provide a customized fit, resulting in greater motion control. Our new liner pads offer unparalleled support and comfort, especially to the mandibular & occipital region pressure points. The PROGLIDE® is a complete solution to individuals with cervical injuries that require the use of an extended wear collar.
