NEW

PROGLIDE® CERVICAL COLLAR

The NEW PROGLIDE® Universal design provides immobilization of the cervical region in a comfortable, easy-to-use cervical collar. The unique 12 levels of chin height adjustment technology allows for customized fitting with a simple turn of the knob. With a one-size-fits-all design, the PROGLIDE® reduces inventory stock and saves money.

- Ergonomic knob design
- Soft wick away liner
- Tracheal opening
- MRI, CT, X-Ray compatible
