Oasis™

The improved Oasis™ spinal orthosis with the new cut-to-size closure system offers maximum support and stabilization by providing A/P compression and limiting unwanted motion.

The easy to use closure system was especially designed for geriatric patients and other patients with functional problems.

NEW CUT-TO-SIZE STRAP SYSTEM

- Front/back rigid polymer inserts for more support
- Breathable spacer fabric
- Available in 5 sizes
- Gender adaptable
- Slimmer design, weighs less than any orthosis of its kind

- Save money on overnight shipping (guaranteed by 10:30 A.M.) with discounted rates using Federal Express next day air service;
- Same day and next day delivery on all products.
