

NEW

PRIMO™ Classic

OPTEC introduces the NEW & IMPROVED Primo Classic spinal system. The Primo provides your patients with an intimate, personal custom fit. The Primo front is available in two heights and includes a retrofitted polymer insert for additional support. The rigid back shell design incorporates built-in reinforcement, spinal relief opening, multiple lordotic curves and an optional lumbar pad. The breathable and comfortable soft liner wicks moisture away from the body.

The Primo features:

- LSO & TLSO designs
- Adjustable, interchangeable modular system
- Conforms to patient's body
- Increased Patient Comfort & Compliance
- Simple donning & doffing
- Neutral & Pendulous front panels
- Sizes range from X-Small to XX-Large
