# PRIMO™ Lite

## SPINAL MANAGEMENT SYSTEM

The Primo-Lite spinal system provides your patients with unparalleled support and comfort. The unique combination of our soft front with polymer insert and our exclusive molded posterior provides maximum support & comfort. The Primo-Lite is truly patient friendly and has a lower volumetric weight compared to other orthoses in its class.

Primo-Lite TLSO

### Primo-Lite Features:

- Liner wicks moisture away from body
- Breathable Liner with temperature regulating properties
- Multiple Anterior and posterior configurations can be combined to provide a custom fit
- Sizes range from x-small to xx-large
