bioSoft™ - The Ultimate Diabetic Socks

EXTRA ROOMY FULLY PADDED SOCK
All terry interior

White Sole

Inverse Toe Seam

NON-CONSTRICTING DESIGN -
Very loose knit construction with super stretch offers maximum blood flow.

ULTRA SMOOTH TOE SEAM -
A unique linking process along with an inverse design provides virtually seam-free sock interior.

ANTI-BACTERIAL/ANTI-ODOR -
Bamboo's natural anti-bacterial properties inhibit bacteria and odor.

ANTI-BLISTER - Soft Bamboo fibers along with a unique brushing process offer an extremely soft sock interior that minimizes friction.

Engineered With All The Functional Features For Ultimate Comfort And Protection
