

HEAT ADJUSTABLE SPECTRUM™ GAUNTLETS

COST SAVINGS. PATIENT CONVENIENCE.

Orthomerica's synthetic and leather gauntlets are easy-to-adjust when the need arises. Our unique and innovative designs have been tested and refined in high volume orthotic centers. The resulting high-quality custom synthetic and leather gauntlets offer optimal fit without compromising comfort or function. Orthomerica's experienced custom fabrication team of certified orthotists, technicians and customer service representatives deliver prompt and exceptional service at highly competitive prices.
