

HAND-ASSEMBLED, CALIBRATED AND
RIGOROUSLY TESTED TO PROVIDE
SUPERIOR PERFORMANCE.

“DITTO.”

Orthomerica provides a complete range of lower extremity orthotic solutions. Custom-made for superior comfort. Rigorously designed to be the ultimate in performance. Precision-fit for the acknowledged industry standard. The KC Combo adds the opportunity for knee control to a variety of AFOs including most in the TC Flex family. Does your patient need a knee-ankle-foot orthosis or just an AFO? Now there's an answer. See Orthomerica.com/ditto for more information.
