

SPECTRUM™ AFO SYSTEM

Orthomerica® is pleased to announce the new Spectrum™ AFO product line.

Our innovative designs have been tested and refined in several high volume orthotic centers of excellence. The resulting high-quality custom AFOs, synthetic and leather gauntlets offer optimal fit and are less expensive in today's ultra cost-conscious environment—without comprising comfort. Orthomerica's experienced custom fabrication team of certified orthotists, skilled technicians and customer service representatives focus on delivering prompt and exceptional service at highly competitive prices.
