

ÖSSUR CUSTOM FABRICATION

Evolution C-Fab is now Össur

Evolution Industries C-Fab is now Össur Custom Fabrication. But while our name has changed, our focus on quality and flexibility remains. From simple check sockets to complex definitive sockets, from Symes to hemipelvectomy sockets, and everything in between, you can count on the skilled Össur Custom Fabrication team to quickly design and fabricate your socket exactly the way you want it... every time.
