

## ICEROSS® SEAL-IN® X TF

Make your move

Iceross liners by Össur have been a preferred choice of patients and practitioners for nearly three decades. And now we're proud to unveil our latest innovative suspension solution, Seal-In X TF. With proven Volume Adaptive Blades and a moveable seal that can be optimally positioned to maximize comfort, Seal-In X TF provides the personalized fit required to satisfy the varied needs of transfemoral amputees.

*Volume Adaptive Blades change orientation to accommodate unique limb shapes and volume fluctuations.*
