FLEX-FOOT ASSURE BY OSSUR

*Allow your patients to reach their potential with the unprecedented soft and smooth rollover of **Flex-Foot® Assure**.*

But more than just a comfortable foot, the easy-to-fit Assure, is a stable, dynamic addition to the Flex-Foot line. Its lightweight, low-profile design, reduces impact, optimizes walking symmetry and helps restore mobility. Perfect for patients who need the benefits of performance in an easy to walk design.
