

UNITY.™

NEW  
PRODUCT

# SLEEVELESS VACUUM.

Introducing the only advanced vacuum system designed for use with Össur Seal-In® and Flex-Foot® technology.\*

- Sleeveless system preserves unrestricted range-of-motion.
- Distal vacuum provides volume stabilization where it is needed most.
- Pump acts independently of shock module for max energy efficiency.
- Quick and easy to achieve and release vacuum.
- Weighs less than 5 ounces.
- Currently compatible with Re-Flex feet and Seal-In liners (other Flex-Foot options coming soon).

CONTACT YOUR ÖSSUR REP TODAY TO ARRANGE A DEMO, OR LEARN MORE AT [WWW.OSSUR.COM](http://WWW.OSSUR.COM).

\* Unity is only recommended for use with sleeveless Seal-In technology.
