

ÖSSUR CUSTOM FABRICATION

Your way or the highway

Whatever your needs, our skilled Össur Custom Fabrication team will quickly design and fabricate your lower limb socket the way you want it, each and every time. In fact, we'll create a template of your unique brim at no extra charge!

And now, we can print and laminate custom artwork, and even include your shop logo, for a result that is as unique as each of your customers.

ABC Central Fabrication
Accredited Facility
