Ottobock Master Technicians at your Service

Quality for life

5/20 ©2020 Ottobock HealthCare, LP. All rights reserved.

Peace of mind for you and your patients.

At the Ottobock After-Sales Service Center, our master-trained technicians are here to help with reliable, routine maintenance and high-quality repairs. We also offer the most generous loaner program in the industry so your patients can continue to live their lives safely while their devices are being serviced.

For help with maintenance or repairs, call us at 800.328.4058 ext. 9-2205.
