Passion for Paralympics

Supporting athletes for more than 30 years

Ottobock on-site Technical Repair Service Centers have been supporting athletes at the summer and winter Paralympic Games since 1988. Thousands of world-class athletes trust our team of experts to tune-up and repair their equipment for competition and we can't wait to do it again in 2021.

We look forward to the 16th Summer Paralympic Games where 4,400 athletes will participate in 22 disciplines. Are you ready?
