Quality for life

New!

# Harmony<sup>®</sup> E2

## The new QUIET in electronic vacuum pumps

The quietest electronic pump on the market, the new E2 offers high vacuum levels, resistance to dust and sweat, and submersibility in water. It's also the first removable vacuum solution: whether for charging, weight reduction, or switching between legs, the integrated valve keeps the vacuum secure.

The Harmony E2 provides ideal volume management, enhanced suspension and reduced forces in the socket. Add an Anatomic 3D Liner, a ProFlex Sleeve, and a Triton foot for comfort and confidence in one super package.

Contact your sales representative or call 800 328 4058.
